

Unleashing Nepal: Past, Present and Future of the Economy

Sujeev Shakya
Chief Executive Officer of Beed Management

Sujeev Shakya is known to readers of the Nepali Times as the columnist *Artha Beed*. He is also a business executive with a social conscience whose recently released book, *Unleashing Nepal: Past, Present and Future of the Economy*, is a frank look at Nepal's real-life economic players, squandered opportunities, and realistic potential for the future.

Shakya, chair of the Nepal Economic Forum, runs Beed Management and is former president of Tara Management and Bhotekoshi Power Company. Awarded a Humbert Humphrey Fellowship by the U.S. Department of State in 2003 he holds a graduate degree in international marketing from Boston University. An RSVP is necessary for attending this lecture.

Co-sponsored by the **Hubert H. Humphrey Fellowship Program** and **BU Global**.

Friday, October 30, 2009

12:00 p.m.
