‘Lays out a positive agenda for change in a country so many of us love’ DAVID MALONE

‘An energetic visionary. His infectious optimism . . . is precisely what Nepal needs to tackle its myriad dilemmas’ KAI BIRD

Unleashing Nepal tells the story of Nepal’s changing economy, from the time of unification to a remittance economy driven by the labour of Nepal’s diaspora. Acclaimed columnist and business leader Sujeev Shakya examines not only the squandered opportunities of the past but also what Nepali citizens need to do to escape from a feudal history of dependence and powerlessness. Compelling and eminently readable, this updated and enriched version brings the country alive with its acute business understanding, humour and local colour. Here is a Nepal that could be an Asian Tiger.
